Re: Dowd v. Dowd
Civil Action No. 04-11925 NG

Dear Ms. Filo:

We represent the defendant, James Dowd, in the above-entitled action. On or about January 19th, 2005, we electronically filed a motion for a more definite statement. That motion was not, to our knowledge opposed. As such, it is ripe for allowance.

In light of the fact that this case has seen no action since our motion was filed, we were wondering whether there is anything further the Court needs from us to move this case along.

Very truly yours,

Nelson P. Lovins
